LONG TALK OF GREAT POCAHONTAS

NELLIE JACKSON, P. P., No. 26

Hunting Grounds of New London
Reservation of Connecticut,
12th Sun, Traveling Moon, G. S. D. 441
Common Era, October 12th, 1932.

To Great Chiefs, Representatives and Members of this Great Council:

GREETINGS:

Another Great Sun has rolled around bringing its joys and sorrows to us all and as we assemble here today to Legislate for the best interest of our order, let us give thanks to the Great Spirit.

As we kindle the council fire of this Great Council I greet you and bid you one and all a hearty welcome and trust that the business transacted at this Great Session will be of value to you and your councils. In addressing you for the last time as your Great Pocahontas there comes to me a thought of all you have been to me. I cannot find words to tell you just what is in my heart. The lessons we have learned, the friends we have made will live in my memory until the end of time.

O, Time, Thou running tramp so fleet,
If thou wouldst only lag awhile,
I pause to ease my weary feet,
And Thou hast sped a mile.

Visitations

It was my pleasure and privilege to begin my visitations in Cold Moon and I had the very good fortune in being permitted to make every visit but one. That was Momantow No. 5. However at a later date I had the honor of visiting that council. At this time I wish to express my sincere thanks to all councils for the courtesies shown me and also for the very lovely gifts received and entertainments and banquets on the various nights of visitation. I am deeply grateful to all the Past Great Pocahontases, my Staff and my Deputies for their trailing with me on these occasions. I also wish to thank the other members from the various councils who assumed their part in helping to make my visits a success.

District Meetings

During my term there were district meetings held in Hiawatha and Narkeeta, and Past Chiefs took advantage of these meetings to become members of our Great Council.

Necrology

In Cold Moon we suffered a great loss in Past Great Pocahontas Mary Johnson. Her sunny smile and pleasant greetings to all won her a warm place in our hearts and memories. We miss her greatly. I extend my sympathy to all Sisters and Brothers who have lost dear ones during my term. May they rest in peace.

As sweet as the note
From the mocking birds throat
Is the hope extended to all
By the master along
In his mansion of love
When we wake to the final call.

Membership

It is with regret that we must again sustain a loss. While I feel that everyone worked diligently to give me a gain, it was not enough to overcome the loss. I feel the condition of the country had much to do with our failure to do what we desired to accomplish. I am deeply grateful for your efforts.

Dispensation

I received requests for and granted sixty-four Dispensations with Wampum. I did this in a manner I deemed best for our order. I would like to ask Councils to send Wampum when writing for Dispensations, also would suggest that all councils send for dispensations for the year to hold entertainments.

State of Order

Throughout the Reservation the majority of councils are doing very good work and while they show evidence of increased activities there is a very noticeable lack of interest in other councils. It should be the aim of all councils to consult their Deputies on questions which arise before consulting higher authority.

To you Great Prophetess May Hall, I take this opportunity of thanking you for your many kindnesses to me and our years of pleasant friendship will live in my memory until I am called to the Great Beyond.

To you Great Wenonah, Henrietta Payne, I ask for you the same loyal support given me and wish for you the best of success.

To you Harriet Wright, Great Keeper of Records, I can only say I thank you and those words are not adequate for what I wish to express. I appreciate your kindness in permitting me to call a Board Meeting at your home and helping to make this Great Council a successful one. May you have years of health and Good Luck.

To my own Council Kiowa, No. 26 whose respect and loyalty have been with me always, I am deeply grateful.

To the members of this Great Council, who honored me with this office, I thank you and as I turn over the Tomahawk to my successor I ask that you give her the same loyal support you have given me.

And so ends the happiest year of my life. May the Great Spirit guide and bless you all.

Would'nt this old world be better,
If the folks we meet would say,
"I know something good about you."
And then treat us just that way.

Yours fraternally in F. F. & C.

NELLIE JACKSON,
Great Pocahontas.

LONG TALK OF GREAT WENONAH

HENRIETTA M. PAYNE, P. P., No. 15

Hunting Grounds of New London
Reservation of Connecticut,
12th Sun, Traveling Moon, G. S. D. 441
Common Era, October 12th, 1932.

To the Great Chiefs and Members of the Great Council of Connecticut:

GREETINGS:

My heart is full of gratitude for the many kindnesses and courtesies I have received from members of all Councils during my term as Great Wenonah. I have had the pleasure of visiting each Council in the Reservation during the Past Great Sun and at every one of them I have been impressed over again with the wonderful spirit of fraternalism shown by our Brothers and Sisters. If I have the great honor of presiding over you during the coming Great Sun I pledge my whole-hearted efforts to do it in a way that will bring profit to the order and I hope and pray that each and every member will respond and help me to make it one of the biggest Great Suns in our history.

Always fraternally yours in F. F. & C.

HENRIETTA M. PAYNE
Great Wenonah.

LONG TALK OF GREAT KEEPER OF RECORDS

Hunting Grounds of New London
Reservation of Connecticut,
12th Sun, Traveling Moon, G. S. D. 441
Common Era, October 12th, 1932.

To Great Council of Connecticut, Degree of Pocahontas:

It is again my privilege to submit to you my report as Great Keeper of Records for the Great Sun just ending, this being my sixteenth report.

The majority of our Councils responded well to the call for a gain in membership and despite the fact that many are out of work—making it very hard to secure applications, some councils were able to report a gain for the term—it is indeed good to know that in all Councils there are those who never lose their courage and who have kept the faith unfalteringly.

Following is the report numerically and financially for our Councils covering from 1st Sun, Buck Moon, G. S. D. 440 to 30th Sun, Hot Moon, G. S. D. 441, and Financial Statement that covers our Great Council for Term of 1st Sun, Traveling Moon, G. S. D. 440 to 30th Sun, Corn Moon, G. S. D. 441.

VISITATIONS

The Past Great Sun I have only made six visitations. Had a most enjoyable visit each time. No matter how small the Councils are each Council seems to take pleasure in greeting the Great Pocahontas and her Staff.

SPECIAL MEETINGS

At official visitations in two Councils of Narkeeta and Hiawatha special Great Council meetings were held for admitting members—eleven Past Pocahontases and Past Sachems were admitted.

CORRESPONDENCE

During the Past Great Sun I have sent over 9,250 pieces of mail from this office. Some of this has been needless in that I have had no responses to some and in other instances have had to write three or four times for items I needed. It is to be regretted that some members and some Keepers of Records are so neglectful of duties and common courtesy.

Have signed and sealed all official Speaking Leaves of Great Pocahontas sent to Councils.

Have put all bills and laws through to proper committees.

Mailed Rituals, Commissions and Blanks to Duputies—I wish the Deputies would please remember to send their report blanks to the Great Pocahontas and not to me and send in their Rituals when their duties are over. There are still four Deputies who have not returned their Rituals as yet altho I have sent out three requests for them.

ORPHAN STAMPS

Early last Fall I sent one hundred orphan stamps to one hundred and twenty-five members thinking that I would get returns from all and that we would be able to realize at least one hundred or more fathoms. Quite a few returned stamps as a whole or in part—ninety-six fathoms have been turned into the Orphan Fund—there are still fifteen members who have not made returns. I paid for all the stamps I sent out, twelve fathoms and fifty inches—this amount I shall consider my donation to the Orphan Fund. I do thank most heartily those who have kept and are using the stamps. Without this Wampum and the donations made for our Orphan Fund we would have had to draw on our Orphan Reserve Fund. Your Orphan Board Secretary has been a very ardent worker the Past Great Sun for this worthy cause.

CONCLUSION

To our Great Pocahontas who has trailed to each Council as she surrenders the Tomahawk to her successor, may she do so with the feeling of duties well done.

May our incoming Great Pocahontas receive the entire co-operation of our membership so that we may be able to again report a gain in membership in our reservation.

To the Great Chiefs and Keepers of Records whose co-operation I have enjoyed the past term I express my sincere gratitude.

Fraternally yours always

in

In conclusion, I want to assure the members of the Great Council that I am grateful for the honor bestowed on me. I trust that I have proven worthy of it, and hope to have the privilege of carrying on in the future. It was my pleasure to make fourteen official visitations last Great Sun, and all members were very courteous to me.

And:

"Brief or lengthy be my stay,
Grateful I shall be.
Counting many a happy day
Granted unto me."

Respectfully submitted in Freedom, Friendship and Charity,

ANNA L. STIRK, P. P.

Great Keeper of Wampum.

IN MEMORIAM

We believe that what we call death is not the end, and therefore, we have faith and take comfort in thinking of the passing of these, our members,

"That there is no death,
What seeems so is transition.
This life of mortal breath
Is but a suburb of the life hereafter,
Whose portals we call death."
